NKYL CORE PRINCIPLES – 1Thess.2

(est. 1997, modified 2005, 2010)

WITH CHRIST

1. To glorify God by being intentionally like Jesus in everything – Sacrificially bearing our cross, motivated by God behind us and the return of Jesus in front of us. – Heb. 12:1-3
2. To be Spirit-led by deeply saturating Prayer and the Word into our lives – Eph. 6:16-18
3. That we would be authentic people, always keeping an attitude of humility towards others by keeping the gospel at the center – 1Cor. 2:3-5

WITH EACH OTHER

4. As a community, we will do our best to love each other, live together and work together as a biblical family is made to – 1Cor. 12:14-31
5. As a community, we will live differently; as if aliens to the world. We will hold each other to lifestyles that are above reproach – 1Peter 2:11,12

WITH THE MISSION

6. Our vision and dream for every young friend will be that they become reproducers of reproducers in their life – 2Tim. 2:2
7. To uphold true incarnational (relational) missional work by living and volunteering in our communities- “winning the right to be heard” – 1Cor. 9:19-22,
8. To have genuine compassion for the individual and not the organization; always people over program – 1Cor 13:1-3
9. Our zeal for the mission would be evident in our passion for life and overflowing joy coming from Jesus in us - “It’s a sin to bore a kid with the gospel”– John 7:37,38
